# 2016 Prayer Declaration

## “The Year of Unlimited Possibilities”

Father in Heaven,

Thank you for recreating me in Christ Jesus so that I might know you and be an integral part of what you are up to on planet earth. I come into agreement with all of the extraordinary things you have planned for my life and ask you to lead me step by step into the full knowledge of my identity and destiny in Christ.

Papa, awaken my spiritual senses. Help me to see your face and hear your voice clearly. Teach me to live in union with you and to know you from the inside out. Calibrate my inner life with yours so that I stay tuned into what you are doing and saying. Align who I am and what I am doing at any given moment with your heart and purposes. Ordain my steps so that the fullness of Jesus is revealed through my life. Interrupt and correct me if I, at anytime, am not acting in agreement with you.

Holy Spirit, invade my thought life. Renew my mind. Use my imagination, dream life, and prayers to bring heaven to earth. Prune those things from my life that are holding you back from fully expressing yourself through me. Help me to confront fear and unbelief anywhere it might be hiding. Cast it out with a profound and lasting revelation of your love. Shine your light on anything and everything that hinders me from being and doing everything that the Father created me to be and do.

Spirit of Grace, lead me into the truth that will set me free. Show me great and mighty things about the Father. Reveal the beauty of Jesus. Teach me your ways. Take me into the depths of your love and show me how I look from your perspective. Enlighten the eyes of my understanding so that I see the hope of my calling clearly.

Jesus, show me how I can best prepare myself to fulfill the Father's dreams for me this coming year. Help me identify, honor, align with and learn from the teachers, mentors, and other people you send into my life to help me grow up into the full measure of your stature. Help me receive the divine connections and favor that you have for me. Teach me how to let the Father in me do the work. Show me how to learn of you and live in your easy yoke. Show me how to abide in the vine so that your character and fruit are fully developed and seen in me. Transform my heart so that others experience you when they interact with me.

Father, my prayer and desire is that 2016 be the most supernatural, fruitful, and impactful year of my life yet. I give you full permission to do what is necessary in me and through me to make it so.

In Jesus name, AMEN!
