

The Best is Not Yet to Come, it's NOW!
SEPARATION MINDSET RESET

Father, thank you for crucifying the “I” that was separated from You. I am dead and alive at the same time! I’m dead to the old me I was trying to be and alive to the real me, which is Christ in Me! Co-crucified, now co-alive! What a glorious entanglement (Galatians 2:20 Mirror)! Together we live and move and have our being! I am entangled with You at a spiritual level, at a material level, and at an energetic level. Our spirits are entangled. Our minds are entangled. Our bodies are entangled. Together, we vibrate at the frequency of the resurrected King Jesus’ love, joy, peace, righteousness, and abundance today. Therefore, in union with Jesus, the new me declares:

- The best is not yet to come, it's NOW!
- All of my thoughts about “me” are synchronized with who I really am in Christ NOW!
- Every thought, belief, pattern, way of being, and habit that is not Yours has been taken captive through the power of the Holy Spirit NOW!
- The frequency of my thoughts and actions are in alignment with my true identity in Christ NOW!
- In union with You, I am vibrating with the feelings of freedom and abundance NOW!
- Mind, wake up to the reality of Heaven within NOW!
- You are alert, peaceful, and governed by the mind of Christ NOW!
- You will remain aware of your union with Christ moment-by-moment, starting NOW!
- Body, wake up to the reality of Heaven within NOW
- You are healed, whole, energetic, and strong NOW!
- Age does not define you, Jesus does NOW!
- Tongue, you will stay yielded to the Holy Spirit today, starting NOW
- You will speak as the oracles of God today, starting NOW!
- You will attract and release Heaven on Earth today, starting NOW!
- You will pray without ceasing, starting NOW!
- You will bless everyone, including your enemies today, starting NOW!
- You will speak life into every situation you encounter today, starting NOW!
- You will say what you mean and mean what you say, starting NOW!
- You will not offend in speech, starting NOW!
- You will control your body today, starting NOW!

Seen realm, I am awake. I am ready to go. I know you have been moaning for the manifestation of the real me, and here I am! I am one with Jesus. I am one with the Father. I am one with Holy Spirit. I am one with the Body of Christ! Thank you for partnering with me to release Heaven on Earth today, starting NOW! Before we begin, I take this moment to cancel every thought or word that I have thought or spoken that is not in alignment with my Father, Yahweh. I call these thoughts and words null, void, and impermissible to operate in any dimension. I call the divine reset, reset NOW! In Jesus name, AMEN!
